

## *Jerusalem Jerusalem*

*Thankyou Jeff for a great escape  
Good weather held us all agape  
A pleasant trip to Jerusalem Bay  
A Yacht Club chose same place to stay*

*Interesting facts on Boatshed site  
A mighty treck, took all our might  
Then BBQ, real one, not mini  
Where sits it best? Yes in the tinnie*

*Pub lunch was also on agenda  
There's one not far, if we remember  
We did not ponder for too much longer  
Just peeled off raft and sought Patonga*

*A tasty feast had at the former  
The Gallery's around the corner  
Once Bakehouse, now has art, so complex  
People, landscapes and other subjects*

*Across the road there's so much more  
In drawers and racks and on the wall  
Such passion exudes, no thought of quitting  
Your dog can even have a sitting*

*So thanks again, 'twas loads of fun  
Another time, request a run  
To somewhere else just as devine  
You organise, we'll bring the wine*
