July 2020 Newsletter

from Commodore Cathy Astridge

## Annual General Meeting Wednesday 1<sup>st</sup> July

The 75th AGM was held in the Club House, commencing at 7.30pm. There were 24 members in attendance, with 4 apologies. Everyone was evenly spaced to meet COVID social distancing and still no one sat in the front row. The purpose of the meeting was to receive and adopt the 2019-20 Annual Report, which included the report of the Board of Directors, Financial

Report and Auditors Report. These were duly adopted and seconded from members attending.

The Committee and Flag officers were elected for the 2020-21 year, being Commodore Cathy Astridge, Vice Commodore Chris Jensen, Rear Commodore Bruce Quick and Treasurer Peter McLean.

The Committee consists of returning Directors; Garry Sexton, Glenn Sommer & Paul Purnell plus the newly elected Directors Ian Dale & Paul Jones. Past Commodore Jim Lendrum will stay on the Board for 12 months as the Immediate Past Commodore. I also can't leave out our sensational Secretary Georgia Wilson.

Ian Dale & Paul Jones have been active members of KMYC for many years and both being recently retired, I am sure we can find tasks to keep them busy and out of their respective partner's hair. The efforts and dedication of Jim Lendrum was acknowledged and applauded by the meeting. I now have big shoes to fill...

Treasurer Peter McLean discussed the accounts and presented the case for maintaining the Capital and Maintenance Levee at the same level as for the 2019-20 year. This was passed by the members attending.

The members that attended the AGM, would have noticed that the Immediate Past Commodore Jim Lendrum handed the flag officers their new burgees as well as white polo shirts.

This year we have decided to update the KMYC Flag Officer's uniform. With the closure of Glendenning's Naval Uniform shop 3 years ago, it has become extremely difficult to source whites, epaulettes, hat badges & the hats themselves. We are introducing a white polo with

the KMYC logo, rank and name for the flag officers. This shirt will be worn with navy pants and a white fedora hat with KMYC plus the burgee on the band. For those members that know our Rear Commodore Bruce Quick, his title was appropriately misspelt to read Rare Commodore.

### **The Achievers**

The next Achievers' session is on Thursday 23<sup>rd</sup> July 2020 from 10am to 3pm.

### **The Social Group**

If anyone would like to join the Social Group to assist Rear Commodore Bruce Quick with KMYC events, please let Georgia know [office@kmyc.com.au](mailto:office@kmyc.com.au) Bruce Quick will then be in touch and take things from there. Depending on the COVID restrictions, events and numbers may be limited.

*I also want to acknowledge Lynette Hunt for the many years of service to KMYC on the Social Group. Lynette has worked tirelessly over the years to help achieve some fabulously successful events. Lynette has also been our resident florist as well as KMYC's in house gardener. Lynette has decided to step aside and hand the banner over to the Achievers for the gardens and her son Richard in the Social Group. Sit back and relax now Lynette and let someone else do all the work. Thank you!*

### **Around the Grounds**

**Georgia's Office:** After many years of being on the to do list, Georgia's Office has finally had a face lift. The open shelves and filing cabinets have been replaced and out of sight behind a wall of sliding doors. All wall and ceiling linings were removed, insulation installed, all electronics and cabling are now concealed, curtains have been replaced with roller blinds, new carpet laid, new desk installed, the doors have had a fresh coat of paint and the glass has been frosted. All works were completed by Rob our Hire a Hubby, Keith, Bruce and the Achievers.

**Slipway:** The week of the 20<sup>th</sup> July will see works commencing for the replacement of the slipway winch. Georgia will send out communications closer to the dates to advise access restrictions to the waterfront during these works. There will be several days where for safety reasons, vehicle access to the waterfront will not be allowed. Keith will place bollards at the top of the driveway during these closures.

**Overflow Carpark:** Planning and works have commenced on the overflow carpark. Paul Purnell has Council approval for three more trees to be removed that are destabilising the existing retaining walls. The tree removal will be the week of 27<sup>th</sup> July. As power needs to be shut off for close work to the lines, members, tenants and residents will be notified closer to the exact date and time. Paul is working with structural engineers to provide the best outcome for retaining the banks and providing as many parking spaces possible.

styling services to the members of the KMYC. Amy has named KMYC's venue Elouera at Cottage Point, Elouera being an Aboriginal word meaning "fine view" or "beautiful place". Cloud 9 will be looking after wedding and event enquiries and working to bring some beautiful celebrations to the venue (although, this may be a little while off with COVID). If you are looking for a venue and stylist, please register your interest to view the clubhouse fully showcased for a wedding with Georgia [office@kmyc.com.au](mailto:office@kmyc.com.au)
